Misted windows  
Hide your empty eyes  
Every moment, every whisper  
Separates you from me  
I've been screaming  
Won't you let me in?  
Let me see a trace  
Of the places hidden  
Under your skin

[Chorus:]  
I foster illusions  
Of which I am afraid  
Unknown emotions  
Repel your embrace  
I foster illusions  
Of which I am afraid  
Afraid of your embrace

Needles sting me  
When you look away  
And your silence  
Sounds like deafening screams to me  
I've been waiting  
Won't you open your heart?  
And let me in  
Please let me in

[Chorus]

Free your mind from doubt  
All you have, is now  
Free your mind from shame  
It will only bring you pain

[Chorus]
