Misted windows  
Hide your empty eyes  
Every moment, every whisper  
Separates you from me  
I've been screaming  
Won't you let me in?  
Let me see a trace  
Of the places hidden  
Under your skin

[Chorus:]  
Answer me,  
Till the day that you do  
I'll be one step behind you  
Answer me,  
Till the day that you do  
I'll be waiting here for you  
Answer me,  
Till the day that you do  
I'll be one step behind you  
Answer me,  
Till the day that you do...

Needles sting me  
When you look away  
And your silence  
Sounds like deafening screams to me  
I've been waiting  
Won't you open your heart?  
And let me in  
Please let me in

[Chorus]

Free your mind from doubt  
All you have is now  
Free you mind from shame  
It will only bring you pain

[Chorus]
