Only You Know And I Know
(Dave Mason)

Only you know and I know
All the love we got to show
So don't refuse to believe it
By reading too many meanings
'Cause you know
That I mean what I say
So don't go
And take me the wrong way
You know you can't always go and get your own way
'Cause if you do it's going to get you some day

Now if I seem to mislead you
It's just my craziness coming through
But when it comes down to just two
I ain't no crazier than you
'Cause you know
That I mean what I say
So don't go
And take me the wrong way
You know you can't always go and get your own way
'Cause if you do it's going to get you some day

(Musical break)

Oh I mean to be pleasing
Oh no no no not deceiving
But it's hard to believe in
When you feel so mistreated
'Cause you know
That I mean what I say
So don't go
And take things the wrong way
You know you can't go and get your own way
'Cause if you do it's going to get you some day

Only you know and I know
Only you know and I know
Only you know and I know
Only you know and I know

Only you know and I know
Only you know and I know
