Let's go swimming in the morning (x3)
Let's go swimming

There's all these hours in the day,
We are, we are
We run to let them get away
We are, we are

I hid my back against the wall
I stumbled down, I took a fall
I bet you are, I bet you are

I stifled the cold, I fed the flu
I'm on my feet, I feel brand new,
I bet you are, I bet you are

Let's go swimming in the morning (x3)
Let's go swimming

Goodbye my friend, this is the end (x2)

We are dreaming, I'm sorry I let you
I'm sorry I let you down

We are dreaming, I'm sorry I let you down
I'm sorry I let you down

Let's go swimming in the morning (x3)
Let's go swimming

Goodbye my friend, this is the end (x6)
