I lift you up to the highest emotions
I'm gonna make you feel alright
I lift you up to the highest emotions
I'm gonna make you feel alright

Boom shack a lack, 2 puppets in a flack
Isn't it a gag, we're running in a bag
2 Fabiola for the bigger and bolder

I lift you up to the highest emotions
I'm gonna make you feel alright
I lift you up to the highest emotions
I'm gonna make you feel alright

Boom shack a lack, 2 puppets in a flack
Isn't it a gag, we're running in a bag
2 Fabiola for the bigger and bolder

I lift you up to the highest emotions
I'm gonna make you feel alright
I lift you up to the highest emotions
I'm gonna make you feel alright

I lift you up to the highest emotions
I'm gonna make you feel alright
I lift you up to the highest emotions
I'm gonna make you feel alright
