War!  
Shoot down enemy  
Endless war  
We are conqueror

Marching for life  
Marching for rising sun

At war!  
We shall reign in blood

Terror!  
Knocked down and pray  
Bomb and till submission  
The future will be cold

Marching for life  
Marching for rising sun

At war!  
We shall reign in blood

The blood that I so crave  
Addicted to your blood  
Attack for the last time  
Get out of my way

Marching for life  
Marching for rising sun

At war!  
We shall reign in blood
