Catch me before I fall
I'm falling into you
Catch me before I fall
I'm falling into you

I'm falling into you
I'm falling into you

I close my eyes
I can feel you touching me that way
You held me and I knew
I needed you to say
Don't say goodbye
I can't stand to see you walk away and oh
Don't you know I'm falling into you

* Catch me before I fall
Falling all the way
Deeper and deeper with every touch
Don't you know I'm falling into you
Catch me before I fall
Further everyday
Faster and faster with every breath
Don't you know I'm falling into you

You changed my life
The first time I ever saw your face
You smiled at me and I knew
Your beauty and your grace
How can I say all the feelings I'm feeling in my heart
From the start
Don't you know I'm falling into you

* Repeat

Oh falling into you
Oh
I can't help myself
I'm out of control
I can't stop from falling into you
You
Falling all the way

Deeper and deeper wiht every touch
Don't you know I'm falling into you
Catch me before I fall
Further everyday
Faster and faster every breath
Don't you know I'm falling into you
(repeat)
