I got time for some beer
I'm ready for fucking drunk metal
There is no time to stop and look back
Six six six pack fucking beer

Go ahead metal make my day
Pretty slut gotta fucking metal
Can't wait cuz I ain't got the time
Eat your wet pussy with beer

Beer metal holocaust 666
Possessed by satan 666

I want drink alcohol after the show
Beer, whisky, sake and pussy
No more piss and vomitory
Beer metal holocaust is my way

Drinking beer reading porno mag
Masturbation or die
I'm gonna kill 'em shoot 'em all down
At the beer house massacre

Beer metal holocaust 666
Possessed by satan 666
