I've seen it all and I said  
She's calling out to us all  
And I ache  
She did not know it belonged to me  
And we could fall into each others arms and severed  
clean  
Oh where to lean  
Now, it's something that I could've asked for  
Apparently  
We're not alone  
And I don't know what I saw  
And I hope that no one saw  
Stand by my side

Better off dead  
Better off dead  
Better off dead

You seem a little low again  
I'm ready to leave again  
Seem a little low  
And eyes start to roll

I reveal  
I reveal  
To see that little glow again  
I'm ready to leave again  
Seem a little low  
And the wheels start to roll  
I reveal  
I reveal  
To see that a little glow

I've seen all that's there  
And I seen it all and I said  
It's calling out to all and I ache  
She did not know it belonged to me  
And it was something that I couldn't ask for  
And it was something that I couldn't ask for  
Better off dead  
Better off dead  
Seem a little low again

I reveal  
Seem a little glow again  
To see that little glow again  
Seem a little low  
And the wheels start to roll  
I reveal  
I rebel  
To see that little glow again  
Seem a little low  
And eyes start to glow  
I reveal
