Flying high at the speed of sound
And on the night bus heading out
I call you now
We'll meet on the streets and we'll run around.
Leave everyone behind
Leave troubles and neon kinds
We'll meet our friends
Blue plastic bags full of cans

Look where it goes we don't make a sound
Feel you're all full of us hand in hand
Oh Superman
I don't wanna hit the ground
I don't wanna hit the ground
I don't wanna hit the ground
Oh Superman
Oh Supermanoh oh!

Feel the guilt when the light pulls in fast
Most of the days are gone and the hours past
Not a fighting chance
Call me guy tears of the future
and we jump all now with the single bells
And we'll laugh out loud

Look where it goes we don't make a sound
Feel you're all full of us hand in hand
Oh Superman
I don't wanna hit the ground
I don't wanna hit the ground
I don't wanna hit the ground
Oh Superman
Oh Supermanoh oh!
I don't wanna hit the ground
I don't wanna hit the ground
Oh Superman
Oh Superman oh oh!

I don't ever wanna stop you cannot hold me up
Who will catch me when I drop
And stop me falling
Is this ever gonna stop?

Can you catch me when I drop?
I know there'll never be no Superman

Look where it goes we don't make a sound
Feel you're all full of us hand in hand

Oh Superman

I don't wanna hit the ground

I don't wanna hit the ground

I don't wanna hit the ground

Oh Superman

Oh Supermanoh oh!

I don't wanna hit the ground

I don't wanna hit the ground

Oh Superman

Oh Superman oh oh!
