The Big Pink "Jump Music"

Jump music, you play it The silence has faded Jump music, you play it We'll stick together and we'll make it

Out on the street
With all the people you meet
Fighting for your corner
Use anthems as our armor

Jump music, drip taste it No riffs are wasted Jump music, my lover Inhale sweet vapors

Out on the street
With all the people you meet
Fighting for your corner
Use anthems as our armor

I move in slow motion, move in slow motion So fast, we move in slow motion Slow motion, move in slow motion Silence is torture

Jump music, hold me in your arms Forbidden love and secret charms Jump music, a memory Of love, a brief history

Out on the street With all the people you meet Fighting for your corner Use anthems as our armor

Move in slow motion, move in slow motion So fast, you move in slow motion Slow motion, move in slow motion Silence is torture

Oh we, we won't die wandering 'Cause we, we dance to our own beat Oh we, we won't die wandering 'Cause we, we dance to our own beat

I move in slow motion, move in slow motion So fast, you move in slow motion Slow motion, move in slow motion Silence is torture
