

The Big Pink "Stop The World"

Obsessed
With the shades of a ghost face
They don't belong here
We set them free

Obsessed
With the feeling you held
I'll meet you down there
Send us to sleep

[chorus]
To dream alone
Stop the world
For as long as we want
To love, to hold
To stop the world
Forever we'll sing along

Loveless
I suggest you go there
To magnetic zero
The world as you want it

Loveless
I'm afraid to kiss again
We dream to remember
Send us to sleep

[chorus]

Stop the world
Stop the world

[chorus to fade]
