Wish I may, wish I might  
Have something to say  
Oh no no no  
This must be love

I tried to stay  
Just a step away  
Yeah, yeah, yeah  
This must be love

I wrote my letters on the sand  
I watched you burn away  
Thought that this might break it up  
And I'm sorry If I meant to hurt you  
Sorry If I meant to kiss you  
Sorry If I meant to love you

REFRAIN:

I tried to make it for the days  
With you I'll run away  
Remember this day  
That I swear to never leave you  
Swear to be right with you  
Swear to always treat you right

(INTERLUDE)

See you in a ray of light  
Our shadows dancing  
This must be love

Remember when I said  
That this is to wreck now  
But I know what to do  
How to go on  
If you have given up on me  
Say that you won't give up on me

(REPEAT REFRAIN EXCEPT LAST 2 LINES)

(BASS SOLO)

(INTERLUDE)

Smile, smile  
And the pain will be gone in a while  
... in a while...

Smile, smile  
Smile...
