Don't look down, looks like trouble  
Distant sound, must be trouble  
All that I  
Have learnt  
Goes out the window  
When I'm not home

Relocate to ice and idle notions  
Of  
Misplacement, traces of some other  
Sound is rushing up to meet me  
Cos I'm not home, I'm  
Not home  
There's water here to last all year  
Just don't rush me don't make me  
Crawl

Can I have another day to think  
Can I take the shade beneath the trees

There's  
Water here to last all year  
Just don't rush me don't make me crawl  
To  
You...
