I received a letter
Just today
From someone close to me
So far away

My heart started poundin'
And I'll be gone to pray
As I opened up the letter
And read what she had to say

She said, darlin'
The letter said
Darlin', I love you
Yes, I love you

Bein' apart
Is breakin' my heart
And killin' me
Your picture used to help some
Now it just makes me blue

And everywhere I look
I find bits and pieces
And memories of you

I received a letter
Just today
From someone close to me
So far away

My heart started poundin'
And I'll be gone to pray
As I opened up the letter
And read what she had to say

She said, darlin'
The letter said
Darlin', I love you
Yes, I love you

Bein' apart
Is breakin' my heart

And killin' me
Your picture used to help some
Now it just makes me blue

And everywhere I look
I find bits and pieces
And memories of you

And everywhere I look
I find bits and pieces
And memories of you
