Baby, baby, baby  
This is just to say  
How much I'm gonna miss you  
But believe while I'm away  
That I didn't mean to hurt you  
Don't you know  
that I rather hurt myself

Baby, baby, baby  
Think of me sometime  
Because if loving  
you was wrong  
Than I'm guilty of this crime  
I'm bewildered lonely, lonely, yes  
Without you to hold my hand

Those that we love  
foolishly may cry  
And sometimes feel it's bad  
To say goodbye, oh goodbye  
But once it said,  
Oh, it can't be denied  
The power, the power of love, It won't lie.  
No, no, no

Those that we love  
foolishly may cry  
And sometime feel it's bad  
to say goodbye, Oh, goodbye  
But once it said,  
oh no, it,  
it can't be denied  
The power, the power of love it won't lie.  
No, no, no

Baby, baby, baby,  
this is just to say  
How much I'm really  
gonna miss you  
But believe while I'm away  
I really didn't mean to hurt you  
Don't you know

that I rather hurt myself.  
I need you, I need you,  
I need you  
I need you, I need you,  
I need you
