Givin' it up for your love
Everything
Givin' it up for your love
Right now
Givin' it up for your love
I say, everything
Givin' it up for your love
Right now, right now

My heart is aching for you
I can't stand it
I need your lovin'
And my soul demands it

I'm givin' it up for your love
Everything
I'm givin' it up for your love
Right now
I'm Givin' it up for your love
Everything
I'm givin' it up for your love
Right now

Well, I thought about it
Ah, you know I'm not playing
You better listen to me
Every word I been saying
Hot is cold, and cold is hot
I'm a little mixed up
But I give it everything I've got

Don't want your money
Don't need your car
I'm doing all right
Doing all right so far

I'm givin' it up for your love
Everything
Givin' it up for your love
Right now
Givin' it up for your love
Everything

Givin' it up for your love
Somehow

[Instrumental Interlude]

I know you told me
That you'd always love me
And I believed it was true
So I saved the best and now I'm ready
My love only just for you
Come back here, come back real quick
My heart is aching
And my body's feeling weak
I'll be alright
Yes, I'll be OK
Come on now, baby
Listen to what I say

Don't need your money, baby
Don't need your car
Been doin' all right
Doin' all right so far

I'm givin' it up for your love
Everything
Givin' it up for your love
Right now
I'm Givin' it up for your love
I say, everything
Givin' it up for your love
Somehow

I'm givin' it up for your love
I say, everything
Givin' it up for your love
Right now (right now)
I'm Givin' it up for your love
Everything
Givin' it up for your love
Somehow...
