Well, you're the cutest thing that I did ever see
I really love your peaches, gonna shake your tree
Lovey dovey, lovey dovey all the time mhmh
Lovey dovey, I can't get you out of my mind

I never thought I'd know the thrill of ecstasy
From now on out there's gonna be just you and me
whoa, baby, mmmh, lovey dovey all the time. mhm
Lovey dovey, I can't get you out of my mind

Well, I sigh with the feelin', whoa, baby, hear me
When I'm high as the ceilin', my head is reelin'
Now, I'm saying that I love you, there's none above you
Give me love, pretty mama...I can't wait

Because my love is tumblin' down and I can feel it
move
For you my darling I would break my mama's rule oh
baby
Lovey dovey all the time, mmmh
Lovey dovey, I can't get you out of my mind

Well, I sigh with the feelin', oh, baby, hear me
Well, I'm high as the ceiling, my head is reelin'
Now, I'm sayin' that I love you, place none above you
Give me love, pretty mama,...I can't wait

Because my love is tumblin' down and I can feel it
move
For you my darling I would break my mama's rule, oh,
baby
Lovey dovey all the time mhmh
Lovey dovey, I can't get you out of my mind
Lovey dovey, I can't get you out of my mind
