Well, mama, you can stop lookin'  
Stop all your hookin' and crookin'  
You just found yourself the lovinest man  
I'm gonna tell you lots of secrets  
I'm gonna do some light bitin' and squeezin'  
You're gonna find your feelin's getting all out of hand

She said, "Just a minute baby, can't you see I'm late?"  
I said 'scuse my move, honey, I thought you was gettin'  
down"  
Just as I was leavin', she took 'hold of my sleeve and  
Said, "On second thought, why don't you stick around."

I'm gonna take you up so high it's gonna make you  
wonder  
Just how you ever let yourself get so far down under  
Believe me, mama, I know about how that waitin' can  
be  
Tomorrow you know you're gonna wish you'd paid  
some attention to me  
Don't act so surprised, I've already seen that look in  
your eyes  
Sit down, mama, spend a little time with me

She said, "Just a minute baby, can't you see I'm late?"  
I said, " 'Scuse my move honey, I thought you was

I'm gonna take you up so high it's gonna make you  
wonder  
Just how you ever let yourself get so far down under  
Believe me, mama, I know about how feelin' lonesome  
can be  
Tomorrow you know you're gonna wish you'd paid  
some attention to me  
Don't act so surprised, I've already seen that look in  
your eyes  
Sit down, mama, spend a little time with me

Yeah, sit down baby, sip a little wine with me

Pull up a chair, baby, let down your hair, baby  
Sure lookin' fine, mama, let me pour you some wine
