Lucky Boy, kept a secret rendezvous
Whoa, he didn't know
where all them hot kisses might lead him to
Yeah, but Sweet Suzie, she knew, yeah
Lucky Boy's ramblin' days are though.

Now and then he remembers when
There was just him to do all the thinkin'
Whoa, but he found a four leaf clover
And Lucky Boy's ramblin' day are over.

Yeah, but he don't mind, deep down inside
that boy's really laughin'
He said just one touch o' my baby's love is
worth five thousand miles o' good travelin'
Whoa, and he found a four leaf clover
and Lucky Boy's ramblin' days are over

Yeah, but he didn't mind
Deep down inside that boy's really laughin'
He said just one touch o' my baby's love is
Worth five thousand miles o' good travelin'

Yeah, and Sweet Suzie she knew, yeah
And Lucky Boy's ramblin' days ar though
Oh Lucky Boy's ramblin' days are though
Lucky Boy's ramblin' days are through.
