Lucky Boy, kept a secret rendezvous  
Whoa, he didn't know  
where all them hot kisses might lead him to  
Yeah, but Sweet Suzie, she knew, yeah  
Lucky Boy's ramblin' days are though.

Now and then he remembers when  
There was just him to do all the thinkin'  
Whoa, but he found a four leaf clover  
And Lucky Boy's ramblin' day are over.

Yeah, but he don't mind, deep down inside  
that boy's really laughin'  
He said just one touch o' my baby's love is  
worth five thousand miles o' good travelin'  
Whoa, and he found a four leaf clover  
and Lucky Boy's ramblin' days are over

Yeah, but he didn't mind  
Deep down inside that boy's really laughin'  
He said just one touch o' my baby's love is  
Worth five thousand miles o' good travelin'

Yeah, and Sweet Suzie she knew, yeah  
And Lucky Boy's ramblin' days ar though  
Oh Lucky Boy's ramblin' days are though  
Lucky Boy's ramblin' days are through.
