Sometimes you love me like a good girl oughta
Sometimes you treat me so bad, baby, my tears run
like water
You get me up before your friends
Then you disown me baby, 'til we're alone again

Your love is like seesaw
Your love is like seesaw, baby
Your love is like seesaw,
Goin up, down, all around, like a seesaw.

Sometime you tell me you don't need a sweet candy
man
Sometimes, baby, never know where I stand
You lift me up when I'm on the ground
Soon as I get up, child, you send me a 'tumbly' down

Your love is like seesaw,
Your love is like seesaw, baby
Your love is like seesaw
Goin' up, down, all around, like a seesaw.

When I kiss you and I like it
Snd I ask you to kiss me again
When I reach at you, you jump clean out of sight
You change just like the wind

It ain't right
It aint' right
It ain't right

Your love is like seesaw, baby
Your love is like seesaw,
Your love is like seesaw, baby
It goes up, down, all around, like a seesaw
