Well, I'm the type of guy who would never settles down
Where pretty girls are, well, you'll know that I'm
Around
I kiss 'em and I love 'em 'cause to me they're all the
Same
I hug 'em and I squeeze 'em, they don't even know my
Name

They call me the wanderer, yeah, wanderer
I roam 'round and 'round and 'round and 'round

There's Flo on my left and there's Mary on my right
And Janie is the girl that I will be with tonight
And when she asks me which one I love the best
I tear open my shirt and show, Rosie on my chest

'Cause I'm the wanderer, yeah, wanderer
I roam 'round and 'round and 'round and 'round

Well, I roam from town to town
Live life without a care
I'm as happy as a clown
With my two fists of iron but I'm goin' nowhere

I'm the type of guy that likes to roam around
I'm never in one place, I roam from town to town
And when I find myself a-fallin' for some girl
Yeah, I hop right into that car of mine and drive
Around the world

Yeah, I'm the wanderer, yeah, wanderer
I roam 'round and 'round and 'round and 'round
And 'round and 'round and 'round

Well, I roam from town to town
I live life without a care
And I'm as happy as a clown
With my two fists of iron but I'm goin' nowhere

I'm the type of guy that likes to roam around
I'm never in one place, I roam from town to town

And when I find myself a-fallin' for some girl
Yeah, I hop right into that car of mine and drive
Around the world

'Cause I'm the wanderer, yeah, wanderer
I roam 'round and 'round and 'round and 'round and
'Round
They call me the wanderer, yeah, the wanderer
I roam 'round and 'round and 'round and 'round and
'Round

They call me wanderer, they call me the wanderer
I roam 'round and 'round and 'round and 'round and
'Round
They call me the wanderer, yeah, wanderer
I roam 'round and 'round and 'round and 'round
And 'round and 'round and 'round

They call me the wanderer, yeah, wanderer
I roam 'round and 'round and 'round and 'round and
'Round
'Cause I'm a wanderer, yeah a wanderer
I roam 'round and 'round and 'round and 'round
And 'round and 'round and 'round
