I been all around this old town
Lookin' for a woman like you
Somebody I could talk to 'bout the
Things I like to do
Now I like to have a good time,
Honey I know you do too
I like to listen to Rock and Roll,
But honey, I like a Two Step too

Now there's a damn good band at
Jack's place playin' music from New Orleans
They got a dude on bass guitar beats
Anything I ever seen
They even do some James Brown,
We can dance to the Boogaloo
I like to listen to Rock and Roll,
But honey, I like a Two Step too

I like a two step too
Whatever you wanna do
I know a funky little juke joint
Or we can listen to some low down Blues

Now I like to have a good time, and
Honey I know you do
I like to listen to Rock and Roll, but
I like a Two Step too

I won't let you go hungry, girl, I aim to please
I got a glove box full of coupons good
For a drink and a Krystal Cheese
It don't matter to me baby, i just
Wanna be with you
I like to listen to Rock and Roll,
But honey, I like a Two Step too.

I like a two step too
Whatever you wanna do
I know a funky little juke joint
Or we can listen to some low down Blues

Now I like to have a good time, and

Honey I know you do
I like to listen to Rock and Roll, but
I like a Two Step too
