Well, I've been mistreated  
Lied to and cheated  
Misused and abused like somethin' that you threw  
away

First you fill me with thunder  
Then you let me go under  
You can run you can hide but you ain't gonna get away

'Cause you're under suspicion  
Of leavin' the scene of a broken heart  
Under suspicion of a hit-and-run love affair  
You ain't got a conscience and you made me the victim  
of a  
Cruel and unusual crime  
Now you're under suspicion  
Under suspicion  
Under suspicion of a hit-and-run love affair

No matter where you be goin'  
I got ways of knowin'  
And somewhere down the line you're gonna have to  
pay

'Cause you're under suspicion  
Of leavin' the scene of a broken heart  
Under suspicion of a hit-and-run love affair  
You ain't got a conscience and you made me the victim  
of a  
Cruel and unusual crime  
Now you're under suspicion  
Under suspicion  
Under suspicion of a hit-and-run love affair

Now, you're under suspicion  
Under suspcion of a hit-and-run love affair

Under suspicion  
You're under suspicion, baby  
Ain't no where to run to  
Ain't no where to hide  
I'm gonna find you, baby

And prove that you lied  
Tell everybody  
That you made a fool outta me  
Show how you cheated  
Show 'em all the misery
