Oh Honey

When I get lost, feel I've been crossed
She will be my salvation
When I feel low, I've nowhere to go
She'll be my inspiration

Yeah, when my poor heart is breakin' apart
She'll pout it back together
She ain't the kind to show off her mind
But talkin' of love she's clever, yeah

Oh... honey
(Oh, honey)
Oh... honey
(Oh, honey)

She rarely spends time with her friends
Tells me she's blue without me
When things go wrong her faith is strong
I know she'll never doubt me

Yeah, when she arrives and stands by my side
Makes me so proud to know her

High-steppin' dames with high-soundin' names
There ain't nothin' they could show her, yeah

Oh... honey
(My honey)
Oh... honey
(Honey, honey)

Now I just wanna thank you, baby
For givin' me a brand new start
I was goin' down, you saved me
When you let me in your lovin' heart, yeah

Oh... honey
(Talkin' 'bout you, honey)
Oh... honey
(Honey)

Oh... honey
(Beautiful honey)
Oh... honey
(You make me feel so proud, so proud, baby)

Oh... honey
(I'm proud of my baby, yeah)
Oh... honey
