E have a wist, sin e couthe I meen
The children hath by candle leet

E have a wist, sin e couthe I meen
The children hath by candle leet
Her shadewe on the wal iseen
And ronne thereafter all they neet

Bisy abouta, they han, they han ben
And whom they catchen it best wolde wen

E have a wist, sin e couthe I meen
The children hath by candle leet
For no lines that, that they couthe lay
To this world and yesterday

Bisy abouta, they han, they han ben
And whom they catchen it best wolde wen

E have a wist, sin e couthe I meen
The children hath by candle leet
Her shadewe on the wal iseen
And ronne thereafter all they neet

Bisy abouta, they han, they han ben
And whom they catchen it best wolde wen
Bisy abouta, they han, they han ben
And whom they catchen it best wolde wen
