in a dark woods paved with snow living all alone  
i forgot long ago what I'm looking for  
firecracker lightening seed is coming back to me  
this is how  
this is how  
you made my heart a hunter  
this is how  
this is how  
you made my heart  
made my heart a hunter  
I remember my little seed louder than a dream  
I let my golden arrow fly to the bottom of the night  
no hounds to guide me no army at my back  
I'm gonna stand up  
firecracker lightening seed closer to me  
this is how  
this is how  
you made my heart a hunter  
this is how  
this is how  
you made my heart  
made my heart a hunter  
you made my heart  
made my heart a  
sunrise burns my fortress down crumbling to the  
ground  
I found my arrow my lightening spark buried in my  
heart  
no hounds to guide me no army at my back  
I'm gonna stand up  
firecracker lightening seed it was always in me  
this is how  
this is how  
you made my heart a hunter  
this is how  
this is how  
you made my heart  
made my heart a hunter  
this is how  
this is how  
you made my heart a hunter

this is how  
this is how  
you made my heart  
made my heart a hunter  
(...heart a hunter...)
