In a dark woods  
Paved with snow  
Living all alone.  
I forgot  
Long ago  
What I'm looking for.

Firecracker,  
Lightning seed  
Coming back to me.

This is how,  
This is how,  
You made my heart a hunter.  
This is how,  
This is how,  
You made my heart  
Made my heart a hunter.

I remember my little seed  
Louder than a dream.  
I let my golden arrow fly  
To the bottom of the night,  
No hounds to guide me  
No army at my back.  
I'm gonna stand up.

Firecracker,  
Lightning seed  
Coming closer to me.

This is how,  
This is how,  
You made my heart a hunter.  
This is how,

This is how,  
You made my heart  
Made my heart a hunter.

Sunrise burns my fortress down  
Crumbling to the ground.

I found my arrow  
My lightning spark  
Buried in m heart.  
No hounds to guide me  
No army at my back.  
I'm gonna stand up.

Firecracker,  
Lightning seed  
It was always in me.

This is how,  
This is how,  
You made my heart a hunter.  
This is how,  
This is how,  
You made my heart  
Made my heart a hunter.  
This is how,  
This is how,  
You made my heart a hunter.  
This is how,  
This is how,  
You made my heart,  
Made my heart a hunter.
