I know you want me
But caution inspires
Your feigned indifference
Won't challenge me

Could it, could it be
Love's what you deny me? (x2)

This spoiled seduction
Intoxicates thee,
Balanced on my halo
You long secretly

Could it, could it be

Love's what you deny me? (x4)

Don't deny yourself
'Cause I know what you want (x3)

You can't deny me
We'll be together
So try to run, love
But you won't get away

Could it, could it be
Love's what you deny me? (x5)
