Give me release
Witness me
I am outside
Give me peace

Heaven holds a sense of wonder
And I wanted to believe
That I'd get caught up
When the rage in me subsides

In this white wave
I am sinking
In this silence
In this white wave
In this silence
I believe

Passion chokes the flower
Till she cries no more
Possesing all the beauty
Hungry still for more

Heaven holds a sense of wonder
And I wanted to believe
That I'd get caught up
When the rage in me subsides

In this white wave
I am sinking
In this silence
In this white wave
In this silence
I believe

I can't help this loning
Comfort me
I can't hold it all in
If you won't let me

Heaven holds a sense of wonder
And I wanted to believe
That I'd get caught up

When the rage in me subsides

In this white wave

I am sinking

In this silence

In this white wave

In this silence

I believe
