Give me release
Witness me
I am outside
Give me peace
Heaven holds a sense of wonder
And I wanted to believe that I'd get caught up when the
rage in me subsides
Passion choke the flower
Until she cries no more
Possessing all the beauty
Hungry still for more
Heaven holds a sense of wonder
And I wanted to believe that I'd get caught up when the
rage in me subsides
In this white wave I am sinking in this silence
In this white wave in this silence I believe
i have seen you in this white wave you are silent
you are breathing in this white wave
i am free
I can't help this longing
Comfort me
I can't hold it all in
If you won't let me
Heaven holds a sense of wonder
And I wanted to believe that I'd get caught up when the
rage in me subsides
In this white wave
I am sinking
In this silence
In this white wave
In this silence I believe
I have seen you in this white wave you are silent
You are breathing in this white wave
I am free
