I know good things
I know bad as well
Any witness of the world can tell

If there is sorrow
There is beauty and trust
A secret pearl inside the heart of us
(Heart of us, heart of us)

Sing, truly there is life and I wanna see
(?)
Now that I know what I am living for
(Its time to try my love again)
Truly, there is love and I wanna feel
(Wanna be alive before)
Here in this world is where I wanna be
Cause I can't cry anymore
(Cant cry anymore)
(Anymore, anymore, anymore, anymore,
Anymore, anymore, anymore)

There is magic now
Under blood red trees
Oh the sky the sweet mystery

We are strangers here
And the day we're born
Why be afraid of freedom, if it's yours

Sing, truly there is life and I wanna see
Now that I know what I am living for
(It's time to try my love again)
Truly there is love and I wanna feel
(Wanna be alive before)
Here in this world is where I wanna be
Cause I can't cry anymore
(Can't cry anymore)

Ohhh, I can't cry
Can I?
Ohhh

When the world is spinning, calling out my name
When the world is saying it won't be the same
For the sky is shining and it's gonna be
But I'm scared and I'm tired of being like me

When the world is spinning, calling out my name
When the world is saying it won't be the same
For the sky is shining and it's gonna be
But I'm scared and I'm tired of being like me

Sing, truly there is life and I wanna see
Now that I know what I am living for
(It's time to try my love again)
Truly, there is joy and I wanna feel
(Wanna be alive before)
Here in this world is where I wanna be
(Can't cry anymore)

Truly there is life and I wanna see
(Wanna be alive before)
Here in this world is where I wanna be
Cause I can't cry anymore
(Can't cry anymore)
Can't cry anymore
(Anymore, anymore, anymore, anymore,
Anymore, anymore, anymore, anymore,
Anymore, anymore)
