Something fearless in your eyes
Something careless about your smile
Shed your armor, spin your web
Hypnotize me with the longest stare

Fingertips so gently on my skin
I'm underwater I feel the flood begin
Fingertips so gently on my skin
You're taking over and over again

Fingertips so gently on my skin
I'm underwater I feel the flood begin
Fingertips so gently on my skin
You're taking over and over again

Something fearless in your eyes
Something careless about your smile
Shed your armor, spin your web
Hypnotize me with the longest stare

We're flesh and bone together and alone
And we're looking for a home

Fingertips so gently on my skin
I'm underwater I feel the flood begin
I'm underwater, I'm underwater
I'm underwater, I'm underwater
I'm underwater, I'm underwater

Fingertips so gently on my skin
I'm underwater I feel the flood begin
Fingertips so gently on my skin
You're taking over and over again
