(\*talking\*)

It's real uh-huh, verbal cocaine  
To your brain, know I'm saying off top  
Off the heezy, for sheezy bout the cheesy

[Big Pokey]

It's Sensei the goodfella, kilo seller  
Slanger straight up swelling, seller white or hard yella  
Put snub nose, to heads of bank tellers  
Toss that across the table, commits to paint niggaz  
sweaters  
Concentrates beam, just to make the aim better  
Show em the baretta, (what's that) the body shredder  
I hit the do', way befo' get the snow  
Do it like it G-O, I'm a pro  
That you know, Po-Yo heat holder  
Size of a polar, bear bitch  
I blow a square, in the air  
Niggaz know, who I be  
It's that, B-I-G-P-O-K-E-Y  
Nigga and I blow ties, stay high  
Uh, it's that Big Podene  
Bloody body, when I flee the scene

[Hook - 8x]

Watch out, untamed gorilla

[Big Pokey]

Off top, just to let a nigga know  
I got this rap in a figga fo', nigga I love do'  
I'm like a trunk full of C4, ready to blow  
Trying to get my shine, on glow  
And to them niggaz out there, trying to hate me  
I'ma climb the ladder, till that bitch break baby  
I ain't stopping won't stop, won't quit Hardest Pit  
Smoking niggaz like a cigarette, I'm the shit  
On tracks I break they backs, eat em for snacks  
Run through em like a x-lax, make they necks crack  
Bleeding mic's on wax, for big stacks  
Keep my lawyer proof, re-million dollar contracts  
I'm bout the dollar dollar, if you ain't about the dollar

dollar  
Kin folk, I'ma holla holla  
Remember, it's that Big Podene  
Yellowstone Tex, Y.S.P. wolverine

[Hook - 8x]
