If I had a dime for every time  
I dreamed about you  
(Dreamed about you)  
I'll tell you no joke, yes I'm really broke  
Baby, without you  
(Girl, without you)

And oh, tell me what should I do  
When you told me that you love me, darling

(Are you gonna break your promise, baby?)  
You said that you love me  
(Are you gonna break your promise to me?)  
And now you're actin' so strange, baby  
(Are you gonna break your promise, baby?)  
You said that you need me  
(Are you gonna break your promise to me?)

If I saw you with somebody new  
I'd be so helpless  
(Be so helpless)  
So tell me what are you gonna do  
Don't leave me breathless  
(Leave me breathless)

And oh, tell me what should I do  
When you told me that you love me, darling

(Are you gonna break your promise, baby?)  
You said that you love me  
(Are you gonna break your promise to me?)

Tell me what should I do  
When you told me that you love me, darling

(Are you gonna break your promise, baby?)  
You said that you love me  
(Are you gonna break your promise to me?)  
Now you're actin' so strange, baby  
(Are you gonna break your promise, baby?)  
You said that you need me  
(Are you gonna break your promise to me?)

[Incomprehensible]
