Can you remember  
When we were children (children)  
We were always together  
And we were best friends

But now that you are grown  
Girl you left me all alone  
You know I'll never find  
No one to call my own

And girl  
I love you  
I love you  
Baby let me love you (I love you)

I sure would  
Like for you  
To remember if you can (try to remember)  
The time we had  
And the times we spent  
Just a-playin' in the sand

Ooooooh...

Can you remember  
When we were children (children)  
We were always together  
And our love had no pain

When sunny skies were blue  
Girl, you know that I love you  
And I'll always promise you  
That this is what I'll do

And girl  
I love you  
I love you  
Baby let me love you (I love you)

I sure would  
Like for you  
To remember if you can

The fun we had  
And the times we spent  
Just a-playin' in the sand

Ooooooh...

I sure would  
Like for you  
To remember if you can  
The fun we had...
