My love, I ran around you
Yes, I broke your heart in two
And I want the world to know I'm sorry {Sorry}
So if by chance you want to know
If I really love you so
All you have to do is come and ask me

And never mind what they say
Never mind what they do

I'll tell you tra-la-la-la-la-la
Know that I love you
Tra-la-la-la-la-la
Know that I love you

Ooh

Now I hunger for your touch
I never knew you meant so much
I know that I have hurt you and I'm sorry {Sorry}
So darling, take me back again
And our love will never end

Don't listen to the whole world talk about me

Please never mind what they say
Never mind what they do
I'll tell you tra-la-la-la-la-la
Know that I love you
Tra-la-la-la-la-la
Know that I love you

Ooh, baby, baby love, mmm

And I want the world to know I'm sorry

Please never mind what they say
Never mind what they do

Oh, baby, ooh

Tra-la-la-la-la-la

Know that I love you
Tra-la-la-la-la-la
Know that I love you

Tra-la-la-la-la-la
Know that I love you
