You're the same old girl  
That lived across the street  
And you're the same old girl, yeah  
That I was dying to meet

Well, now you're running around  
And you think that I don't know  
And you know if I found out  
It's gonna hurt me so

And it hurts me so bad  
Whoa, oh, oh, yeah

Tell me this is a dream  
Somebody, please  
Tell me this is a dream  
Somebody, please  
Tell me this is a dream

And I remember  
When you kissed me  
You said you loved me so much, girl  
Said our love would always be

Now you're running around  
You think that I don't know  
And you know if I find out  
It's gonna hurt me so

And it hurts me so bad  
Whoa, oh, oh, yeah

Tell me this is a dream  
Somebody, please  
Tell me this is a dream  
Somebody, please  
Tell me this is a dream

You know, I'm just like a guy right now  
That don't want to face the reality  
Of the one I love, believe in me

You know, loving you too much  
Not wanting you to realize  
That you're in love with someone else

Whoa, oh, oh, yeah

Tell me this is a dream  
Somebody  
Tell me this is a dream  
Somebody  
Tell me this is a dream

Tell me this is a dream  
Somebody  
Tell me this is a dream  
Somebody, please  
Tell me this is a dream

Tell me this is a dream  
Somebody  
Tell me this is a dream  
Somebody
