Seems as though I've lived my life on the bad side of  
the moon  
To stir your dregs, and sittin' still, without a rustic  
spoon  
Now come on people, live with me, where the light has  
never  
Shone  
And the harlots flock like hummingbirds, speakin' in a  
foreign  
Tongue

This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life

It seems as though I've lived my life on the bad side of  
the  
Moon  
To stir your dregs, and sittin' still, without a rustic  
spoon  
Now come on people, live with me, where the light has  
never  
Shone  
And the harlots flock like hummingbirds, speakin' in a  
foreign  
Tongue  
I'm a light world away, from the people who make me  
stay  
Sittin' on the bad side of the moon

This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life

There ain't no need for watchdogs here, to justify our  
ways  
We lived our lives in manacles, the main cause of our  
stay  
And exiled here from other worlds, my sentence comes  
to soon  
Why should I be made to pay on the bad side of the  
moon  
I'm a light world away, from the people who make me  
stay

Sittin' on the bad side of the moon

This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life  
This is my life, this is my life, this is my life, my life
