Look at my happiness melting with the snow  
They tell me it happens all the time  
Look at my emptiness, does it really show  
That my life is out of rhyme, out of time  
Look at my madness, watch it, how it grows  
So many things I couldn't see  
Look at my loneliness, does anybody know  
How to change all this for me, or has it got to be

Didn't you see my warning  
Didn't you hear my call  
Didn't you see the morning  
Comin' down upon us all, all

Look at my happiness melting with the snow  
They tell me it happens all the time  
Look at my emptiness, does it really show  
That my life is out of rhyme, out of time

Didn't you see my warning  
Didn't you hear my call  
Didn't you see the morning  
Comin' down on us all, all  
And it's so hard, it's so hard  
It's so hard, it's so hard  
It's so hard, so hard  
It's so hard, so hard  
It's so hard, it's so hard
