Always so keen, in a big black fleur de lys  
Had too much competition, in a limousine  
Everybody got to him, and he finally had to make a  
show  
And no one could believe him, and he still doesn't know

Girl you fill me up, until I've had enough  
Girl you fill me up, can't you see that  
You're my girl, and enough is enough  
Baby, you're my girl, and enough is enough

So we went down through the streets, and we never  
even saw a  
Fight  
We had one look corner to corner, and we called it a  
night  
So I said we best get ready, cause we really didn't  
wanna phone  
He said, I must be some kind of a fool girl, are you  
puttin' me  
On

You fill me up, until I get enough  
Oh girl you fill me up, can't you see that  
You're my girl, and enough is enough  
Baby, you're my girl, and enough is enough

You're my girl, and enough is enough  
Baby, you're my girl, and enough is enough

So we went on through the gate, and it sure enough  
caused a  
Scene  
He said, one chance to make it on the silver screen  
So we worked all day and night, tryin' to make it to the  
4 state  
Line  
He said, baby you can stay tomorrow, we can have us a  
time

Oh girl you fill me up, until I've had enough  
Oh girl you fill me up, can't you see that

You're my girl, and enough is enough  
Baby, you're my girl, and enough is enough  
You're my girl, enough is enough  
Baby, you're my girl, and enough is enough
