Needin' you, wonderin' what to do  
Baby, I've been away  
And even so, maybe I should go  
Is there nothin' that you wanna say  
Just keep it nice, baby what's your price  
Cause it looks as though I have to pay  
For something clean, only some machine  
But she never lets it in her way, no

Gimme love, I need lovin'  
Gimme love, gimme love  
Gimme love, gimme love, oh yeah  
Gimme love

I'm feelin' used, and baby I'm amused  
Cause there's something that I shoulda done  
Like take my time, or used another line  
But I had to get on the run  
Can't you see, I don't wanna disagree  
There's a chance that we could lose the feel  
Let's keep it light, to get us through the night  
Do you say you wanna make a deal

Gimme love, gimme lovin'  
I need love, yes I do  
Gimme love, gimme love, oh yeah  
Gimme love

Gimme love, gimme love  
Gimme love, gimme love  
Gimme love, gimme love  
Gimme love, gimme love  
I need love, gimme love

Gimme love, gimme love, some good lovin'  
Gimme love, gimme love, I need love (oh yeah)  
Gimme love  
Gimme love, gimme love, oh yeah  
Gimme love, gimme love, I need love  
Gimme love, gimme love, oh yeah  
Gimme love  
Gimme love, gimme love

Gimme love, gimme love
