Well my daddy sent a message, got these whiskers on
my chin

I never had no problems, and I always play to win
I ain't got no time for lovin', my time is all used up
I just sit around creatin', for that groovy kind of love

I'm a man, yes I am, and I can't help but love you so, oh
no

I'm a man, right as I am, I just can't help but love you
so, oh
No

Well if I had my choice of druthers, I'd rather be
content
Bein' closer to the devil, from where my mind is at
While related to each other, how good it all could be
Assistin' in their problems, with each groovy chick we
see

I'm a man, yes I am, and I can't help but love you so, oh
no

I'm a man, right as I am, I just can't help but love you
so, oh
No

Well, I gotta keep my image, while standin' on the floor
If I got down on my knees, with these people I don't
know

You think that I'm not human, and my heart is made of
stone

But I never had no problems, cause I made it on my
own

Well if I had my choice of druthers, I'd rather be
content

Bein' closer to the devil, from where my mind is at
While related to each other, how good it all will be
Assistin' in their problems, with each groovy chick we
see

I'm a man, yes I am, and I can't help but love you so, oh
no

I'm a man, right as I am, I just can't help but love you so

Love you so, love you so, love you so

My daddy sent a message, got these whiskers on my chin

And I never had no problems, and I always play to win
I ain't got no time for lovin', cause my time is all used up

I just sit around creatin', for that groovy kind of love
Well I got to keep my image, while standin' on the floor
I won't sacrifice my needs, with people I don't know
Who think that I'm not human, and my heart is made of stone

But I never had no problems, cause I made it on my own

I'm a man, yes I am, and I can't help but love you so, oh no

I'm a man, right as I am, I just can't help but love you so, oh

No

I'm a man, yes I am, and I can't help but love you so, oh no

I'm a man, yes I am, and I can't help but love you so
Love you so, love you so, love you so
