Monster in Quest World, Villans on the loose. Get on Quest World trains. We ain't callin' a truce.

Quest team, Quest team, the things you get into. Quest team, Quest team, trouble looks for you. A hero's gotta do what a hero's gotta do.

The gang's runnin' wild.
There's no single doubt.
The gang gets together for something to talk about.

Quest team, Quest team, who is blamin' who? Quest team, Quest team, the things you get into. You better watch out 'cause the Candy Man's comin' for you.

Race Bannon's wild while he rocks 'n' rolls And who knows what's wrong with Jonny and Jessie alone.

Benton's in the lead and Hadji's not sure. Estella cartwheels when she falls on the floor.

Dragons in the dark.

Venger's creepin' thru the night.

Surd's gone wild.

Hey, who shut out the light.

Quest team, Quest team, the things you get into. Quest team, Quest team, trouble looks for you. A hero's gotta do what a hero's gotta do.
