Owwwww!

Maybe it's the moonlight, somethin' doesn't feel right
Won't you come along with me, oh yeah
You know I'm not crazy, just a little lazy
Won't you take a chance, won't you come along with
me
Oh yeah, yeah, oh yeah

Maybe it's the moonlight, maybe it's the rock 'n' roll, oh
yeah
Maybe it's the moonlight, maybe it's the rock 'n' roll,
yeah
But I don't wanna be lonely
Don't wanna be shutdown, shutdown, no more, no
more
I don't wanna be lonely
Don't wanna be be shutdown, be shutdown

Baby what's your answer, there's somethin' that I'm
after
Somethin' I can have for free, oh yeah
Tell me that it's alright, talk about your stage fright
Really got me uptight, baby what you want from me
Yeah, yeah, oh yeah (oh yeah)

Maybe it's the moonlight, maybe it's the rock 'n' roll, oh
yeah
Maybe it's the moonlight, maybe it's the rock 'n' roll, oh
yeah
But I don't wanna be lonely
Don't wanna be shutdown no more, no more, no more
I don't wanna be lonely
Don't wanna be be shutdown, be shutdown

Hey you

I don't wanna be lonely
Don't wanna be shutdown, shutdown, no more, no
more
I don't wanna be lonely
Don't wanna be be shutdown

I don't wanna be lonely
Don't wanna be shutdown no more, no more, no more
I don't wanna be lonely
Don't wanna be be shutdown, be shutdown, be
shutdown
Shutdown no more
