Reachin' for a space in time, layin' our fate on the line  
Starting out a life anew, after we've come so far  
Won't you look and see now, here we are

You were the ones, there is no doubt  
You ate it up and spit it out  
You were the ones, you made it clear, you could take it  
We are the sons of the pioneers (we are the sons of  
pioneers)  
The day has come, our fate is clear  
We're the sons of the pioneers  
Sons of the pioneers (sons of the pioneers)  
We're not afraid to try (we're not afraid to try)  
Sons of the pioneers (sons of the pioneers)  
Men not afraid of fear

What's the point of going on, if you feel that it couldn't  
be  
Done  
Cause I just wanna understand, freedom's the soul of a  
man  
Won't you look and see now, and show me how

We have the chance, there is no doubt  
We'll pick it up, and see it out  
We are the ones, you made it clear, we can take it  
We are the sons of the pioneers (we are the sons of  
pioneers)  
The day has come, the way is clear  
For the sons of the pioneers  
Sons of the pioneers (sons of the pioneers)  
Men not afraid to try (men not afraid to try)  
Sons of the pioneers (sons of the pioneers)  
Men not afraid of fear... fear

When you think of how far we've come, and to know  
that we've  
Only begun  
Leaving us a legacy, makes sense to me  
That now our time has come, for we have to move on

You were the ones, there is no doubt

You ate it up and spit it out  
You were the ones, you made it clear, you could take it  
And now it's time, our fate is surely here now  
There is no doubt about it, it's time we thought about it  
We are the ones, the way is clear, for the sons of the  
pioneers  
Sons of the pioneers (sons of the pioneers)  
Men not afraid to try (men not afraid to try)  
Sons of the pioneers (sons of the pioneers)  
Men not afraid of fear

Is there any doubt, none at all, they heard the call of  
the  
Sons of the pioneers (sons of the pioneers)  
Men not afraid to try (men not afraid to try)  
Sons of the pioneers (sons of the pioneers)  
Sons of the pioneers (sons of the pioneers)  
Men not afraid to try (men not afraid to try)  
Sons of the pioneers (sons of the pioneers)  
Men not afraid of fear
