[Big Pun]

You know I'm well known like Al Capone, fully blown like
Ton' Montana
In a zone, sittin on chrome, stoned sippin on cham-
pagna
Rollin ganja up in bible papers, see how high the lye
can take us
Through the eyes of Christ, John, Elijah, Jacob
I make the kind of green a hustler dream
Bustin out the custard cream Viper
custom piped up with the mustard seams
Clustered green Fort Knox and hard (?) medallions
Mockin God even Italians see my batallion pull out the
broad
I got the +Squad+ over-qualified, pullin over Karl Kani
Range Rover tilted, three-wheelted hydraulic slide
Sparkin lye in the clouds and reppin my housin
Like the Wu do in Shaolin

[Chorus: A. Rios, C. Rios, V. Rios, Veronica]

There's something I want to tell you (I want to tell you)
There's something I think your crew should know
Big Pun is the largest (so large) we straight out of the
projects
That's how we roll.. (that's how we roll..)

[Big Pun]

I keep my Desert Eagle cocked back in my tuxedo with
my top hat
What you broke motherfuckers know about that?
Lookin fat in Marc and Pelle leather like Fonzarelli
Sparkin Phillies with the Gods like Makaveli
On the celly blown Benz, chrome rims
Shinin like the stone gems on my gold rings
I got it sewn Twinz, I can't begin to tell you the story
that soared me from livin poorly to a modern day
Cinderfella
I've been a killer and a drug dealer, a bugged nigga
But now I'm like Puffy cause money's thicker than blood

player
I'm still a threat but now I think before I flip
Call my connects together
and figure which cleaner's the best for the hit
I get the job done, Pun's handlin business
Candlelight dinners, havin a toast with the most
glamorous bitches
My road to riches was no Christmas
Now we blessed with gold Lazaruses
so expensive my whole family's religious

[Chorus]

[Big Pun]

Aiyyo I want it all you can call me greedy and
superficial
long as my crew's official and pulls they pistols soon as
I whistle
I'm tryin to triple a million and split it three ways
Joe the God, Full Eclipse, and myself - that'll be the day
I need a way to get it already got the ambition
Start the ignition, watch for the NARCs in the marked
Expedition
I'm on a mission which requires a higher position
Desire and vision keeps the fire inside of me glistenin
I'm infinite like math, so I'm gonna last
But you wanna laugh all day, bullshit and sittin on your
ass
I'm all about cash and the power
A stash with the power that lasts like hittin ass for an
hour
Let's get it locked, I want a watch with baguetted rocks
so I can clock hoes with the glow that never stops
Forget the cops, we got Deserts and glocks too
Ready to rock whoever tryin to stop our cheddar from
stockin forever

[Chorus] - 2X (*with variations*)

[Big Pun]

Straight out the PJ's Twinz, Soundview!
Castle Hill, can't forget Bronx River
Lil Villes.. huh, the Forest Projects, Eden Wald
Bronxdale, the Bronx baby straight out the PJ's
That's where we from
