[Big Punisher]

Yo, yo, yo, yo...

Yo, yo, yo, yo...

Yo, yo...

It's hard to explain how my squad can harbor the strain
Of being the largest name in rap, since the almighty
Kane

Acknowledge the fame, my call was to reign the streets
From Harlem to Queens, back to the Bronx who
fathered the dream

Started this thing called rap, where I reign supreme,
my team

Regardless of that, I've seen things as far as the crack
That'll make the hardest largest artist heart just
collapse

I'm part of all that that's why it's so hard to go back
And start from scratch

I'm locked and I'm trapped, in a giant cage

Tryin to savor these few dyin days

I have left, to the form of flesh; should I lie in my
grave?

I'm tryin to persuade, my motto is try to be brave
And not give death the satisfaction of seein me dyin
afraid

That why I rise from the grave singin church songs like
I was Je-sus Christ pa-rum-pum-pum-pum

[Chorus 2X: Big Punisher]

Whatcha gon' do when Pun comes?

Knockin' at ya front door

And he wants waaaaaaaaaaaar, holy shit!

He ain't a rapper he'll kill you

[Big Punisher]

'Til my last breath I'll have death before dishonor
(c'mon)

And welcome drama (yeah) with open arms and a code
of honor

My whole persona equals that of Gods

Definin' matters hard all before you even had a job

I'll stab and rob if I have to, fuck it I'll blast you

Tell the devil it was Pun, if he ask you

And let him know how we be deadin 'em, show him my
emblem
The tombstone, the throne, every millennium
A child is born that can preform at a level beyond
The expected four minute thirty second song
We reign supreme, my team be all up in your dream
With the "kill anything" grill, chillin' beside the guillotine
Executioner style, black suit and a smile
Who's next to get their neck hacked loose in the crowd
Move from the aisle, don't make me have to prove that
I'm wild
Word to Cuban, my crew killers, y'all niggaz shoot in
the clouds
(Who's in the house?) Punisher straight from hell
Who's in the house (Terror Squad motherfucker we the
real)
What the deal, now you know that's how we roll
Hard core like B.O., bring in the corns baby bro

[Chorus] - repeat 2X
