

Delicate Fade, A "Blackheart Syndrome"

A murmur of life, brings me here
The forgiving soul takes me in
Why did i leave you
Why?
Wake me up and hold me tight
Please dont let me go

You let me choose
With open arms welcoming me back to you
And on this day
I will remember you
A silent sound I did not hear
A screaming whisper I did not heed

You held my hand and I wanted to run
But I could not feel you
Your screaming whisper
Dont let go is this is for real
I did not hear

You held my hand
and I could not feel you
You let me choose
How could you?

Dreams fall apart
and life burns away
But this I'll pray that you still remain forever mine
This I pray
